Green Hides Leather Studio Increases Aviation Presence in Hong Kong

TALCO Pacific Limited joins the sales Team

Greensboro, NC (January 2012) – In 2011, Green Hides Leather Studio expanded beyond the Hospitality, Contract and Residential vertical markets to fully engage the Aviation Industry. Senior level management with years of experience in the Aviation Market guided the development of Green Hides Aeronautical offering. With superior South German Hides, hi-tech drum flame proofing and specifically engineered leathers, Green Hides Leather Studio has quickly emerged as a leader in Aviation Leather.

Building upon the momentum of their North American sales, Green Hides looked to Hong Kong as the next logical step to embrace the Aviation Industry. Partnering with TALCO Pacific Limited, Subsidiary of TALCO Aviation, Green Hides now offers Asia the same untouchable service and superior product that their North American counterparts have come to expect. “We are eager to service the rapidly expanding Chinese Market. We feel our level of service and client satisfaction will prove a winning formula in this territory” says Simone Lagnerini, President of Green Hides Leather Studio.

About TALCO:

TALCO Aviation is the leading provider of VVIP and head-of-state aircraft completions supervision and program management world-wide. Services include comprehensive green aircraft and refurbishment program management and supervision, design, engineering and technical consultation specifically tailored to our client's needs. TALCO also provides customized solutions directly to completion centers on a business-to-business basis to supplement their existing management team. www.talcoaviation.com

About Green Hides:

Founded in 2003, Green Hides Leather Studio offers a complete selection of high-quality, environmentally-conscious Italian leathers for contract environments. President of Green Hides, Simone Lagnerini, has worked for nearly two decades in the Italian leather industry and has helped his company create the philosophy that leather can and should be produced in harmony with the environment. By working in direct collaboration with an Italian tannery and proprietor, they are able to ensure the environmental quality of products as well as eliminate many of the obstacles faced by other companies. Over 400 leathers are stocked in Greensboro, NC and are available for immediate delivery, including 28 colors of EcoLife, the leading chromium-free leather. In addition to offering an expansive range of fashionable and practical contract leathers, Green Hides also offers a wide selection of hospitality, aviation, and high-end residential leathers.

Green Hides is committed to improving the selection of eco-friendly interior design products, as well as growing business in an environmentally-minded manner. Please visit greenhides.com for more information.
