Tango...A Modern Classic

Green Hides Leather Studio offers a new standard in luxury.

Greensboro, NC (January 2012) – Produced in the Verde Valley region of Italy **Tango** is a modern classic. This full grain aniline through dyed leather features a hand applied two tone tipped grain effect with a luxuriously soft touch. The finest European hides are hand selected for **Tango**, assuring clean surfaces and high quality cutting yields. With its' durable protective finish, this leather is suitable for most hospitality, contract, aviation and luxury residential environments.

Tango is produced using the latest techniques for high quality, environmentally friendly leathers. The hides are re-tanned in oak drums using vegetable agents, natural fat liquors and oils along with dyes that guarantee the leather is properly through dyed. **Tango** complies with the strict regulations and EU Directives covering the use and presence of PCP, Chromo (VI) and Azo dyestuffs. Water based finishes are applied to provide an even coloration and protection to the leather.

About Green Hides:

Founded in 2003, Green Hides Leather Studio offers a complete selection of high-quality, environmentally-conscious Italian leathers for contract environments. President of Green Hides, Simone Lagnerini, has worked for nearly two decades in the Italian leather industry and has helped his company create the philosophy that leather can and should be produced in harmony with the environment. By working in direct collaboration with an Italian tannery and proprietor, they are able to ensure the environmental quality of products as well as eliminate many of the obstacles faced by other companies. Over 400 leathers are stocked in Greensboro, NC and are available for immediate delivery, including 28 colors of EcoLife, the leading chromium-free leather. In addition to offering an expansive range of fashionable and practical contract leathers, Green Hides also offers a wide selection of hospitality, aviation, and high-end residential leathers.

Green Hides is committed to improving the selection of eco-friendly interior design products, as well as growing business in an environmentally-minded manner. Please visit greenhides.com for more information.
