Velvety Suede Leather Fused with Metallic Lizard Skin Pattern Featured at HD Boutique

Green Hides Leather Studio turns up the heat in Miami with Hypnotic

Greensboro, NC (AUGUST 2011) – Born in the Verde (green) Valley region of Italy and inspired from the latest fashion trends Hypnotic is sophisticated Italian velvety suede leather fused with a very metallic application. This unique and charming metallic effect combines classic tradition with exoticism through the special lizard skin pattern. Available in a variety of metallic applications from silver, gold, bronze to platinum - Hypnotic is the ultimate in classicism and modernity resulting in a very refined and elite sophistication. This leather is suitable for Hospitality, Contract and Residential applications.

About Green Hides Leather Studio:

Founded in 2003, Green Hides Leather Studio offers a complete selection of high-quality, environmentally-conscious Italian leathers for contract environments. President, Simone Lagnerini, has worked for nearly two decades in the Italian leather industry and has helped his company create the philosophy that leather can and should be produced in harmony with the environment. By working in direct collaboration with an Italian tannery and proprietor, they are able to ensure the environmental quality of products as well as eliminate many of the obstacles faced by other companies. Over 400 leathers are stocked in Greensboro, NC and are available for immediate delivery, including 28 colors of EcoLife, the leading chromium-free leather. In addition to offering an expansive range of fashionable and practical hospitality leathers, Green Hides Leather Studio also offers a wide selection of contract, aviation, and high-end residential leathers.

Green Hides Leather Studio is committed to improving the selection of eco-friendly interior design products, as well as growing business in an environmentally-minded manner. Please visit greenhides.com for more information.
