

## Amatory

---

Amatory is a modernist's hair on hide featuring a seductive, mid-century inspired design print. Produced exclusively in Italy, this unique leather offers endless design opportunities for upholstery, rugs wallcoverings and accents.

Natural beauty is found in this leather's organic irregularities and variations from hide to hide ranging from hair length, color, cowlicks, fat wrinkles and other natural signifiers of superior quality. These natural traits are inherent to this product and are not considered to be defects or flaws. No two hides will ever be the same.

Tanning and dyeing processes are formulated using the latest technology standards for high quality leather. Complies with the strict regulations of the EU environmental normative CE2000/53.
