

Haiti

Haiti is a sumptuous full grain aniline leather with a beautiful floral inspired print. Utilizing original tanning recipes and only the top selection of Italian hides, Haiti is made with a combination of artisan and modern processing techniques. Its light transparent, waxy finish exhibits a natural sophistication. Natural characteristics such as healed scars, insect marks and other signatures of nature add character and beauty to the finish. Haiti is suitable for most residential, hospitality and executive contract applications.

REACH (EC 1907/2006) compliant production aims to improve the protection of human and environmental health. Processed using low emission mineral tanning formulas which are environmentally respectful, the hides are retanned in aged oak drums using vegetable agents, natural fat liquors, oils and dyes that ensure the leather is properly through dyed. Natural color variations may occur even within the same dye lot.

Applications: Contract, Hospitality, Residential

Raw Material: European

Hide Size: Average size 50 sqft (two 25 sqft halves)

Repeats: No plate line or repeat

Thickness: 1.0 – 1.1 mm

Wet Rub Test: (Nr 20): IUF 450 / UNI EN ISO 11640: ≥ 4 grey scale

Dry Rub Test: (Nr 100): IUF 450 / UNI EN ISO 11640: ≥ 4 grey scale

Alkaline ph 8: IUF 450 / UNI EN ISO 11640: ≥ 4 grey scale

Flexing Endurance: IUP 20 / UNI EN ISO 5402: $\geq 30,000$

Tear Strength: IUP 40 / UNI EN ISO 3377-I: ≥ 20 N

Adhesion: IUF 470 / UNI EN ISO 11644: ≥ 3.50 N/cm

Light Resistance (Xenon Test): IUF 402 / UNI EN ISO105-B02: 3 blue scale

Flammability Resistance: UFAC 1, CAL TB 117-2013, NFPA 260

Origin: Italy
